Bulletin Board

Document Version	V1 - December 2023
Product Class	Class 1
Category	Wall Surfacing
Product Type	Pin Board Linoleum
Manufacturer	Forbo Holdings Ltd.
Product	Forbo Bulletin Board
Ranges	Various options available, see ww.forbo.com for options
Identifier	Bulletin Board
Format/s	Total Thickness: 6mm Rolls: 122cmx28m
Materials	Comprised of oxidised linseed oil, rosin binders, finely ground cork, and mineral fillers, calendered onto a jute backing.
Area of use	To be applied in frames or directly to the wall and is suitable for internal use, in dry areas.

Conditions of use

Forbo Bulletin Board must be installed by a qualified trades person and must be handled, installed, and maintained in strict compliance with Forbo's recommended procedures and instructions as set out in the Forbo Bulletin Board Installation Guide. Bulletin Board material is permanently anti-static and thus does not attract dust, it is also bacteriostatic and these properties mean it is low maintenance and hygienic. To clean Bulletin Board simply use a pH-neutral cleaning agent and then wipe it with a damp cloth.

Forbo Bulletin Board is to be installed by adhering the Bulletin Board onto the surface of a backing board and press in firmly with a hand roller, or with a press. Using a press enables several Bulletin Board covered sheets to be pressed simultaneously as per the Forbo Bulletin Board Installation Guide. When using a press, a quality polyvinyl acetate dispersion adhesive may be used in a double-stick method. Refer to the Bulletin Board Installation guide for further details.

New Zealand Building Code Compliance

Section of Code			Product Compliance
<p>B2 Durability</p> <p>B2 3.1 Building elements must, with only normal maintenance, continue to satisfy the performance requirements of this code for the lesser of the specified intended life of the building, if stated, or: (c) 5 years if: 1. the building elements (including services, linings, renewable protective coatings, and fixtures) are easy to access and replace, and 2. failure of those building elements to comply with the building code would be easily detected during normal use of the building.</p>			<p>Forbo Bulletin Board has a Standard Product Warranty of 5 years.</p> <p>It is produced in accordance with ISO 9001:2015 Quality Management Systems and ISO 14001:2015 Environmental Management Systems, requirements.</p> <p>Refer to: Forbo 5-year Standard Product Warranty, Bulletin Board Technical Specification, Forbo Bulletin Board Installation guide, Forbo Bulletin Board Care & Maintenance documentation for further information.</p>
